FIRST MOORE BAPTIST CHURCH

A NEW WAY TO COMMUNICATE

We are always looking for ways to ensure that we are communicating clearly and effectively to our congregation. Over the past several months we have been making changes and improvements in how we communicate so that we are consistent and clear. Some of the steps we have taken are:

- Keeping our website updated as a consistent source of information for all people that call First Moore home
- Providing a weekly digital and printed bulletin
- Providing weekly communication through our midweek and weekend email updates

As we continue striving to do these things as well as we can we are now adding a new layer to our communication, a monthly newsletter. This newsletter is designed with our church members in mind. It will provide an overview of upcoming church events, an article from Pastor Charlie, church statistics from the previous month, a church calendar, and other important information. Our primary method of delivery for this newsletter will be email but we will gladly mail a copy to anyone that requests one. Please contact the church office at 405-793-2600 to request a mailed copy.

We hope this newsletter and all our communications are helpful. If you have any concerns or suggestions please let me know at tyler.kelley@firstmoore.com.

In Christ,

Tyler Kelley

Associate Pastor of Administration & Communications
